

PROFESSIONAL PROFILE

ADRIAN FLUECK

Adrian Flueck is an Analyst with CBRE Hotels Central and Eastern Europe team. His principal focus is on providing Hotel Valuation and Development Appraisal across the region.

Adrian Flueck joined CBRE Hotels CEE in August 2008 after graduating top of his class from the Ecole Hôtelière de Lausanne. He holds a Bachelor of Science in International Hospitality Management with Honours and a major in Corporate and Real Estate Finance.

He gained valuable experience in international hotel operation through work placements during his studies in Switzerland and Ecuador.

Adrian is principally involved in Hotel Valuation and Development Appraisal in CEE.
