## CRAIG HARLEY

Craig Harley is Manager of CBRE's Hotels Brokerage business in Queensland and is based in Brisbane

Working closely with both the CBRE Hotels Queensland and National teams, Craig's role is to service both local and national clients and their transactional business requirements.

Prior to joining the CBRE Hotels team, Craig worked as a Major Account Executive with Aristocrat Gaming for 10 years working in ACT, New South Wales and most recently in Queensland.

Having established many strong client relationships in the Hotel industry, Craig believes trust and integrity to be core values in any business relationship.

Craig has in total almost 20 years experience in sales and marketing, performing a number of senior sales management positions.

Craig is a licensed real estate sales person and a member of the Queensland Hotel Association.
